There is really no way I can solve some of the problems I have.
Sometimes I feel that I'm being pushed around in life.
I have little control over the things that happen to me.
I can do just about anything I really set my mind to.
I often feel helpless in dealing with the problems of life.
What happens to me in the future mostly depends on me.
There is little I can do to change many of the important things
in my life.
